Dear Parents

Greetings for the day!

We hope you all are healthy and safe.

We sincerely thank all the parents who have cleared the dues monthly/quarterly. Thank you for supporting us during this period of crisis.

We further appeal to the rest of the parents to understand the need of the hour and clear their dues by **15th July, 2020**. This will enable us to pay salaries to our staff working tirelessly to reach out to each and every student in the best possible manner.

In any case, if you feel that you have some genuine concerns and are not in a state to pay the fee, you can file an application to the school authority along with necessary financial proofs for consideration.

Looking forward to your earnest cooperation as ever.
