CIRCULAR

Dear Parents

I hope you and your loved ones are safe, healthy and in good spirits.

We, at School are continuously thinking about how we can keep children engaged during these times. With this thought, we are launching the "Virtual Book Read Programme".

We know that during these times procuring the books is also quite challenging, despite book shops being open and e-commerce having started deliveries.

Keeping this in mind, we researched for options and came across this digital resource - Scholastic Litpro Library as a recommended Holiday Reading program from Grade III-VIII. It is not just a good reading resource to keep our children engaged, but will also support their learning journey during the year.

Highlights of Resource:

- Levelled books across a range of genres, with new and popular titles
- Read aloud supports independent reading and listening
- Clickable vocabulary definitions with audio and pictorial support
- Audio recorder to practice fluency and pronunciation
- Note pad to encourage writing and comprehension
- Comprehension Quizzes and in Scholastic Literacy Pro Monitor Progress

During these times, the subscription charges have been slashed enormously. The yearly subscription routed through the School shall cost a nominal price of Rs. 500 per year which otherwise costs Rs. 1999/-. You can pay the subscription fee through NEFT/IMPS to Beneficiary- Delhi Public School, Account no. 50100093734101, IFSC code- HDFC0002783 by June 15th, 2020 and share the screenshot of the transaction made at 9023054005.

It is mandatory for every student. As a part of the reading program, we shall be organising book discussion forums and activities to ensure continuity of learning in a more meaningful and holistic way.

Happy Reading!!!

Regards

Principal
