

## STUDENT SAFETY IS OUR PRIORITY

The safety and security of students is the utmost priority at Delhi Public School. In the wake of the recent unfortunate incidents, we understand your concerns about your child's safety in school. We would like to inform you that our school has following things in place to ensure the safety of the children:

1. CCTVs are installed in all the places. (corridors, classrooms, staircases and outside the washrooms)
2. No adult or outsider is allowed to use the washroom dedicated to the kids. Female staff is present in all the washrooms meant for students and the students are not allowed to use the washrooms when they are being cleaned by the sweepers.
3. Background Check and Police Verification of all the employees is duly made before the appointments.
4. PTAs have been formed to tackle the relevant issues.
5. Children are given basic education related to self protection.( e.g. Unsafe touches)
6. Child Protection Committee, comprising of six members - The Head of the School, representatives from Teachers and a senior member from the Support Staff, has been formed. Random checks will be done by this committee.

The Head of the School shall address the queries related to the same after Half Yearly in the upcoming Open House.
