Dear Parents

An interaction between a parent and a teacher is paramount for a child's success.

A positive communication makes parents more engaged and involved in class and school wide events and brings out the best in child.

To foster the same, we have planned a **virtual interaction** with the respective class in-charge for Grades III to XII on April 12, 2022 at 3:15 p.m.

Following are the agendas for the interaction:

- Discussion on the Books of new session 2022-23
- To address any queries regarding Subject Teachers
- Queries regarding Saturday Clubs & Sports
- Regular use of ERP and School Website
- Effective use of Almanac
- Nomenclature of a School Week

Please Note: The zoom link for the session will be shared with you by the class in-charge. To practice efficient and effective session, you are requested to join the session on time.

Regards
Principal
