

GRADE VI & VII - CLASS TRIP CONSENT AND ITINERARY BRIEF

Dear Parents/Guardians,

We are delighted to announce that our school is organizing optional Educational Trips for students of Grade VIII to X. This year, students will have the opportunity to choose one of the two exciting options being offered. Participation is **optional**, and students are requested to carefully read the itineraries of both trips and **select only one** based on their interest and preference.

1. Chennai-Sriharikota-Puducherry (Open to students of Grades VI to X)

This enriching educational tour combines science, culture, and history. A visit to **ISRO - Sriharikota** will offer students firsthand insight into India's remarkable space research and satellite launch capabilities. The itinerary also includes exploration of the cultural vibrance of Chennai and the colonial charm of Puducherry, making it both informative and memorable.

2. Shoghi - Shimla (Open to students of Grade VI & VII)

This adventure camp offers students a chance to connect with nature, build life skills, and enjoy the scenic beauty of the mountains. With a perfect mix of fun-filled outdoor activities and learning experiences, it promises personal growth and team bonding.
